mujeres activas en letras y cambio social

MALCSistas,

MALCS stands in solidarity with the people of El Paso and Juárez to denounce and demand an end to the white supremacist, xenophobic, and fascist targeting of communities and attacks against Latinx, Muslim, immigrant, and LGBTQIA peoples.

As an organization committed to social justice, *Mujeres Activas en Letras y Cambio Social (MALCS)* stands with the borderland communities of El Paso and Ciudad Juárez as they mourn the loss of life at the hands of white supremacist violence. We send our love, support, and healing energies as El Pasoans and Juarenses recover and organize to rebuild their beautiful borderland communities.

In solidarity,

Mujeres Activas en Letras y Cambio Social (MALCS)
